

Your Leader in Tailored Benefit Solutions

Parrott Benefit Group is an extension of your organization. We work with you to drive innovative solutions that align with your budget, employee needs, and organizational fit. Our goal is to provide you with affordable and competitive plans, streamline benefit administration, and increase employee engagement and satisfaction.

You are our priority. With Parrott, you will have access to industry-leading technology, HR and compliance resources, comprehensive data analytics, wellness insights, and support that is second-to-none.

When you combine our strong industry affiliations with benefit carriers and our dynamic team of experienced professionals, Parrott is uniquely positioned to provide personalized and exceptional services and resources to your organization and employees.
